IMMEDIATE ATTENTION IS REQUIRED

Dear Provider:

This is to provide notice that the Kidmed program is being discontinued effective May 31, 2012.

Effective immediately Louisiana Medicaid will no longer enroll Provider Type 66 – KIDMED Screening Clinics. Providers who are currently enrolled Provider Type 66 cases will be closed effective May 31, 2012.

Kidmed claims for Provider Type 66 will be denied for dates of service after:

- January 31st for those recipients residing in DHH Administrative Regions 1 and 9;
or
- March 31st for those recipients residing in DHH Administrative Regions 2, 3 or 4;
or
- May 31st for those recipients residing in DHH Administrative Regions 5, 6, 7 or 8

After these dates providers must submit all EPSDT claims for services on the CMS 1500 with the appropriate CPT code and EP modifier to report a screening service.

Current Providers are encouraged to contact the BAYOU HEALTH Plans to discuss possible participation in their provider network. Contact information for each Health Plan is available at:
